

SAVE A KITTY FERAL CAT PROGRAM, INC.

Care Contract

I _____, the adoptive owner of _____
(please print) (Cat/Kitten name)

_____ a cat/kitten which was rescued by the Save a Kitty Feral Cat Program, Inc. do hereby **promise** to provide the best care for the said cat/kitten, within my capabilities. I **promise** to feed, shelter and provide appropriate medical care for the cat/kitten I have adopted. I understand that the animal is to be an **inside only pet** and **I will have the animal sterilized when it is age appropriate and not further contribute to the already devastating overpopulation of felines.** If at any time I can not adhere to this care contract, I will contact **Save a Kitty Feral Cat Program, Inc.** and ask for assistance in placing the animal in an appropriate home or **surrender** the cat/kitten to the organization. This contract is agreed between both parties. **This contract is enforceable and will be initiated if the guidelines stated herein are not adhered to.** (Sign Below)

E-mail Address (optional) _____

If the new owner relocates, a new address and phone number must be provided to our organization within seven (7) days. Save a Kitty Feral Cat Program, Inc. reserves the right to verify with the veterinarian office, a sterilization date or a reminder notice to the new owner including a periodic home visit with prior notice of 24 hours. Effective 7-7-05, WV State law HB2078 “WV Spav/Neuter Act” requires all felines adopted from shelters/rescues must be sterilized prior to adoption or within 30 days of sexual maturity. Kittens must be sterilized within 30days of their sixth (6th) month of age.
